Ministry of Physical Planning, Construction and State Property  
Directorate for Physical Planning and Permits of National Importance  
Construction and use permits sector

CLASS: UP/I-361-03/21-01/000235  
REG.N.: 531-06-03-01-02/06-22-0006  
Zagreb, 26 January 2022

The Ministry of Physical Planning, Construction and State Property, Directorate for Physical Planning and Permits of National Importance, Construction and use permits sector, OIB: 95093210687, pursuant to the article 123, paragraph 3 of the Construction law (Official Gazette n. 153/13, 20/17, 39/19 and 125/19), deciding on the request submitted by the investor MUNICIPALITY TAR-VABRIGA TORRE-ABREGA, HR-52465 Tar, Istarska 8, OIB: 93923679060, issues the

## DECISION ON EXTENSION OF THE VALIDITY OF THE CONSTRUCTION PERMIT

The construction permit CLASS: UP/I-361-03/18-01/000143, REG.N.: 531-06-3-1-19-0014 of 27 June 2019, valid from 13 August 2019, issued by the Ministry of Construction and Physical Planning, Directorate for Permits of National Importance, Construction and use permits sector, is extended for another three years.

### EXPLANATION

The investor, MUNICIPALITY TAR-VABRIGA TORRE-ABREGA, HR-52465 Tar, Istarska 8, OIB: 93923679060, with demand submitted on 22 December 2021, has requested the issuance of a decision on extension of the validity of the construction permit CLASS: UP/I-361-03/17-01/000215, REG.N.: 531-06-2-1-1467-18-0015 of 12 March 2018 for

- the construction of a building of infrastructural purpose of the transport system (road traffic) of 1<sup>st</sup> group – **GOLF COURSE "LARUN" WITH BUILDINGS IN GOLF**

**Stage 2 – unclassified roads – public roads within the scope with associated infrastructure**  
**Stage 1F<sub>E2</sub> - section of connecting road marked Axis 1 from the road crossing D75 until the roundabout**

After inspecting the request and conducting the procedure at the request of the investor, it was determined that the construction permit CLASS: UP/I-361-03/18-01/000143, REG.N.: 531-06-3-1-19-0014 of 27 June 2019 has become valid on 13 August 2019 and the investor has requested the extension of the validity of the same construction permit before the expiration of the term of three years from its validity.

Moreover, it was determined that the conditions under which the permit in question was issued have not changed and, subsequently, by applying the provision of the article 123, paragraph 4 of the Construction law, it is resolved as in the dictum of this decision.

Exempt from paying the administrative fees according to the tariff number 2 of the Regulation on the tariff of administrative fees (Official Gazette number 92/21, 93/21 and 95/21).

## LEGAL REMEDY

This decision is enforceable in administrative proceedings and no appeal may be lodged against it, but an administrative dispute may be instituted against it. The administrative dispute is instituted before the Administrative court in Rijeka within 30 days upon receipt of this act. The lawsuit is submitted to the said court directly in writing, orally on the record or sent by registered mail.

HEAD OF SECTOR  
Vesna Veselin, M.Eng.
